As Was Walking is a novel by Gemma Denham that follows the story of a young woman named Jess who leaves her home to walk across the country. Along the way, she encounters a variety of people and experiences that challenge her assumptions about the world and herself.

Jess is a recent college graduate who is feeling lost and uninspired. She decides to leave her home in London and walk across the country, hoping

to find some direction in her life.

As she walks, Jess encounters a variety of people, including a homeless man, a group of hikers, and a family of farmers. Each encounter teaches her something new about herself and the world around her.

Jess also learns a lot about herself through the physical challenges of her journey. She learns to push herself beyond her limits and to appreciate the beauty of the natural world.

By the end of her journey, Jess has grown into a more confident and self-assured woman. She has learned to appreciate the simple things in life and to find joy in the journey itself.

Themes

As Was Walking is a novel about self-discovery, growth, and the importance of human connection. It is a story about a young woman who learns to find her own way in the world and to appreciate the beauty of the journey itself.

The novel explores a number of themes, including:

- The importance of following your dreams
- The power of human connection
- The beauty of the natural world
- The challenges and rewards of personal growth

Characters

The main character in *As Was Walking* is Jess, a young woman who is a recent college graduate. Jess is a complex and well-developed character. She is intelligent, independent, and determined, but she is also vulnerable and insecure. She is a young woman who is trying to find her place in the world, and her journey across the country is a metaphor for her journey of self-discovery.

In addition to Jess, the novel features a cast of well-developed supporting characters. These characters include a homeless man, a group of hikers, and a family of farmers. Each character plays a role in Jess's journey of self-discovery, and they all help her to learn more about herself and the world around her.

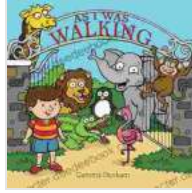

Setting

The novel is set in contemporary England. Jess's journey takes her through a variety of landscapes, including cities, towns, and countryside. The setting of the novel is important because it reflects Jess's inner journey. As she walks through the different landscapes, she is also learning more about herself and her place in the world.

Style

The novel is written in a clear and accessible style. The language is simple and straightforward, but it is also lyrical and evocative. Denham has a gift for capturing the beauty of the natural world, and her descriptions of the landscapes through which Jess walks are simply stunning.

As Was Walking is a beautiful and moving novel about self-discovery, growth, and the importance of human connection. It is a story that will stay with you long after you finish reading it.
