The Library of Modern Middle East Studies (LMES) is a unique and valuable resource for scholars, students, and anyone interested in the history, culture, and politics of the Middle East. The LMES collection includes over 100,000 books, journals, and other materials in a variety of languages, and it is one of the largest and most comprehensive collections of its kind in the world.

The LMES Collection

The LMES collection is divided into two main sections: the Reference Collection and the Circulating Collection. The Reference Collection includes over 50,000 books, journals, and other materials that are not

available for checkout. The Circulating Collection includes over 50,000 books, journals, and other materials that can be checked out by patrons.

The LMES collection is particularly strong in the following areas:

- History of the Middle East
- Politics of the Middle East
- Culture of the Middle East
- Religion of the Middle East
- Economics of the Middle East

The LMES collection also includes a number of special collections, such as the Middle East Women's Studies Collection and the Middle East Children's Literature Collection.

Research and Scholarship

The LMES is a major center for research and scholarship on the Middle East. The library's staff of librarians and archivists are experts in the field, and they are available to assist researchers with their research needs.

The LMES also hosts a number of research events, such as conferences, workshops, and lectures. These events provide researchers with an opportunity to share their work with others and to learn about the latest research on the Middle East.

Education and Outreach

The LMES is committed to education and outreach. The library offers a variety of educational programs, such as guided tours, classes, and workshops. These programs are designed to help people of all ages learn more about the Middle East.

The LMES also partners with schools and other organizations to provide educational resources about the Middle East. The library's staff is available to give presentations and to lead discussions about the Middle East.

The Importance of the LMES

The LMES is a vital resource for anyone interested in the Middle East. The library's collection is unparalleled, and its staff is knowledgeable and helpful. The LMES is a place where people can learn about the Middle East, conduct research, and engage with others who share their interests.

The LMES is also a place where people can explore their own identity and power in a global context. The library's collection provides a window into the lives of people from different cultures and backgrounds. It is a place where people can learn about the challenges and opportunities that face the Middle East today.

The LMES is a place where people can come together to learn, to grow, and to make a difference in the world.
