Hope Gift Kelly Starling Lyons was an extraordinary young girl who touched the lives of countless people with her indomitable spirit and unwavering hope. Born with a rare genetic disorder that gave her a life expectancy of just a few years, Hope defied the odds, living for almost a decade and leaving an enduring legacy of hope, resilience, and joy.

### **The Gift of Hope**

Hope was born in 2005 with a chromosomal disorder called Trisomy 13. This rare condition affects approximately one in every 10,000 births and is often fatal within the first year of life. Hope, however, was a fighter. Despite her medical challenges, she amazed doctors and her family with her determination and resilience.

From the moment Hope was born, her parents, Thomas and Kelly Lyons, knew that they had a special child. They named her "Hope" because they believed that she was a gift, a testament to the power of life even in the face of adversity.

### **A Journey of Joy and Inspiration**

Hope's life was not without its challenges. She underwent multiple surgeries and spent countless hours in hospitals. But throughout it all, she maintained an infectious optimism and a zest for life that inspired everyone around her.

Hope loved to sing, dance, and play with her siblings. She enjoyed spending time with her family and friends, and she had a gift for making everyone feel happy and loved. Hope's unwavering spirit not only brought joy to her own life but also spread hope to others who were struggling with their own challenges.

### **The Hope Gift Foundation**

In 2009, the Lyons family established the Hope Gift Foundation in honor of their daughter. The foundation's mission is to provide support and encouragement to children and families affected by rare medical conditions.

Through the Hope Gift Foundation, the Lyons family has provided financial assistance, educational resources, and emotional support to countless families. The foundation also organizes events and activities that bring families together and provide them with a sense of community.

## Hope's Legacy

Hope Gift Kelly Starling Lyons passed away in 2014 at the age of 8. Though her life was cut short, her legacy continues to inspire and uplift others. Hope's story is a reminder that even in the face of adversity, hope can prevail.

Hope's family, friends, and community members continue to honor her memory by living their lives with the same courage, resilience, and hope that Hope embodied. The Hope Gift Foundation continues to grow and expand, providing support and inspiration to children and families who need it most.

Hope Gift Kelly Starling Lyons was a true gift to the world. Her indomitable spirit and unwavering hope touched the lives of countless people. Through the Hope Gift Foundation, her legacy continues to live on, providing support and encouragement to those who are facing challenges.

Hope's story is a powerful reminder that even in the darkest of times, hope can shine through. Her life is a testament to the power of the human spirit and the indomitable force of hope.
