Accused of treason and stripped of her title, Anya is held captive by her own people, the ruthless Iceborn. Branded as a traitor, she is subjected to

unimaginable torture and humiliation, her pleas for justice falling on deaf ears.

Thora's loyalty and unwavering determination make her a formidable ally. Behind her cold exterior lies a compassionate heart that yearns for justice and redemption.

As the plot thickens, Thora's true identity and her motivations come into question. Is she truly a protector or a pawn in a larger game of power and deceit?
